Prior to 8 December, no training activity was observed komendatura was located in the former SED building on Ernst Thaelmann which was guarded by sentries who were red-bordered black epaulets. A guard detail was still quartered in the Kaffeemuehle and four AT guns by sentries were still opposite the Kaffeemuehle. Prior to 3 December, a komendatura numbering about 30 troops was still in Niesky. The komendatura in the Oberlausitzerhof hotel in Loebau was transferred to another building as the Oberlausitzerhof hotel was to an HO restaurant. The komendatura numbered about 45 soldiers and was a by sentries who were crimson epaulets. Comment. The buildings are located west of the Reichenberg brid cannot be identified from the present report. The komendatura and a briguard detail of the MGB, which apparently was reinforced by a detail of the 9th Mecz Div, is located in this area where motor vehicle the 9th Mecz Div are continuously observed.
